PRJUSD: Launching the Next Generation of Paso Innovators

Building Facilities That Match Our Community's Ambition

Spaceport-Ready CTE Labs

Modernizing shop spaces and engineering labs to replicate real-world aerospace standards.

Industry-Ready CTE Classrooms

Offer flexible learning spaces that allows students to move from traditional lecture, to collaborative learning, to industry-like settings.

Closing the Environmental Gap

Upgrading HVAC, lighting, and technology infrastructure at our secondary schools.

Retaining Top Talent

Modern facilities attract and keep the high-caliber STEAM and technical educators our district needs.

How General Obligation Bonds Work

PASO ROBLES
JOINT UNIFIED SCHOOL DISTRICT

How General Obligation Bonds Work

What are GO Bonds?

Essentially loans repaid by a project-specific tax levied on all property within the school District's boundaries.

Taxation & Timing

Tax to repay GO Bonds does not start upon voter passage; it only begins after the bonds are actively issued and sold.

Repayment Structure

Bonds have a fixed payment schedule. The County Treasurer is obligated to levy taxes sufficient for repayment, regardless of rate.

Allowed Use of Proceeds

Dedicated to school facilities construction, rehabilitation, or property acquisition. **Never used for administrator salaries.**

Why the Board Placed Measure G on the Ballot

Strategic Alignment

The District's core Strategic Plan directly integrates with the Facility Master Plan to establish high-impact modernization across all educational environments.

Goal 6: Facilities & Funding

Strategy 6.1: Implement a strategic and equitable Facilities Master Plan.

Strategy 6.2: Maintain safe, welcoming, and well-maintained environments.

Strategy 6.3: Secure adequate and stable funding for District priorities.

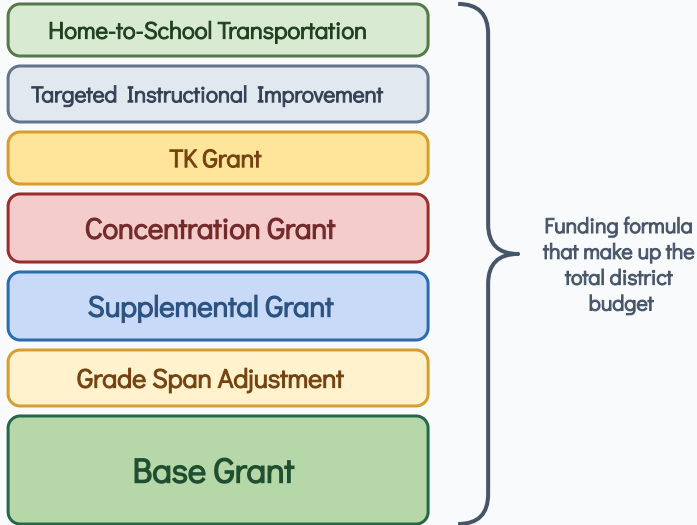

Grades 9-12 Focus

Target investments will directly benefit high school student environments:

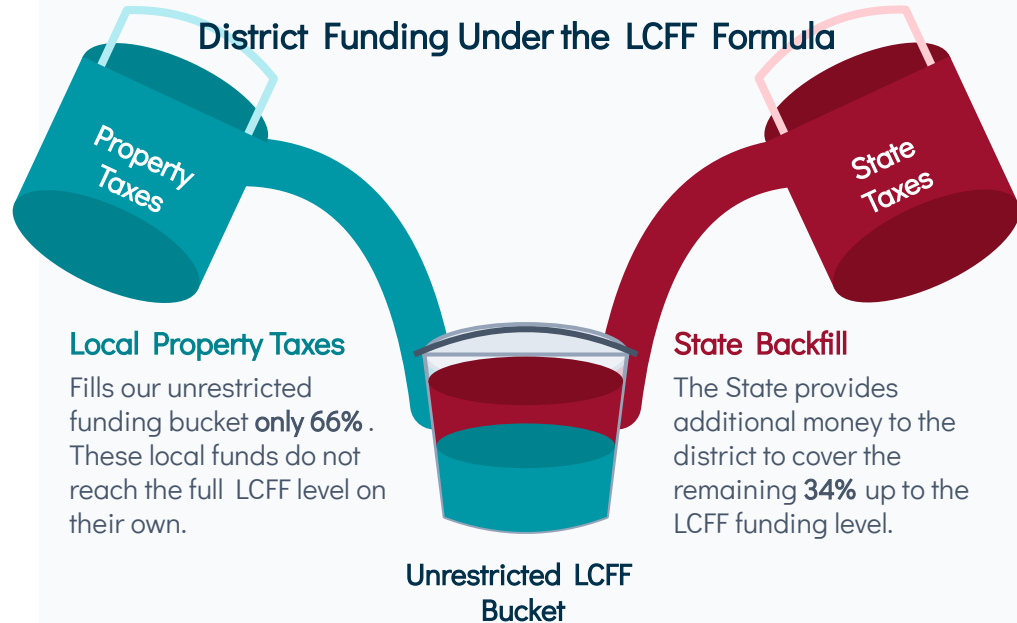

- PRHS
- Liberty / Independence
- War Memorial

Frequently Asked Questions

PASO ROBLES
JOINT UNIFIED SCHOOL DISTRICT

Sales Tax vs Bond?

Sales Tax

No Authority

School districts do not have any statutory authority to levy sales tax increases.

Revenue Raising

Very Limited Authority

Districts are highly restricted in how they can generate local funding:

- Parcel Taxes
- School Construction/Modernization Bonds

Property Taxes

Historical Context

Historically, school boards could set property tax rates by simple majority without a ballot vote.

Modified by Proposition 13 in 1978.
